## **Payment of County Teams Expenses (Gents)**

### Parks and Beaumont:

- All practice rounds on away courses to be paid for by the Club, up to a maximum of 10 players. These are currently £25 per player.
- Coffee beforehand to be paid for by the Club where it is not given by the host club.
- A small additional payment (optional) to be available to the Captain /Non-Playing Capt. for water and snacks for players during play. Suggest £20 if needed per match.
- Players to pay for their own after-match drinks and food.
- Expenses incurred by caddies to be the responsibility of the player concerned.
- 50% of the above expenses to be paid by the Seniors' Treasurer with the remainder paid for by the Club Treasurer.
- KPB to be given a copy of the expenses asap following the match. Most clubs will allow practice round fees and food etc expenses to be billed to the club and not paid for on the day.

### Tolly, Hambro and Stenson:

- All practice rounds on away courses to be paid for by the Club, up to a maximum of 10 players. These are currently £25 per player.
- Coffee beforehand to be paid for by the Club where it is not given by the host club.
- A small additional payment (optional) to be available to the Captain /Non-Playing Capt. for water and snacks for players during play. Suggest £20 if needed per match.
- As each match in these competitions is played over 36 holes it seems only fair to pay for a light snack between the morning and afternoon rounds from Club funds. Lunchtime drinks to be paid for by the players.
- Expenses incurred by caddies to be the responsibility of the player concerned.
- Should (unusually) an after-match meal be offered in addition this is to be paid for by the players together with any after-match drinks.
- KPB to be given a copy of the expenses asap following the match. Most clubs will allow practice round fees and food etc expenses to be billed to the club and not paid for on the day.

Any other external competitions for which the Club wishes to enter should be agreed beforehand by the General Committee. Where approval is given the entry fee will be paid for by the Club Treasurer but any other expenses will need to be negotiated separately.
