Junior 6s League

Congratulations to our Halesworth team. For the 3rd year running we reached the county final,

this year played at Newton Green GC.
Unfortunately, we didn't retain the trophy, coming up against some very strong opponents

but our inexperienced team excelled, very well done to them all.
If your child Is interested in playing next year please get in touch with Will Bird.

Halesworth's Suffolk Golfers

A huge congratulations James Coby , U12 and Millar Fernley , U14 who

were successful in their recent county assessment

Lenny Grove, Louie Doig and Alfie Rackham have also been accepted into the U16/18 county program, joining Harry Hinsley and
Ridley Sausman. Fantastic effort all of you.

Halloween scramble

A fantastic day for the juniors in their wonderful costumes. A great social event and seeing some excellent young golfers enjoy the day.

Seniors vs Juniors

Following on from a victory against the Ladies this year, a junior team bravely took on the seniors. Unfortunately they were unable to repeat their win losing 4-0
Roll on neat year!

Woodbridge matches

Home and Away matches against Woodbridge were held in October in a trial format. Some of our more experienced juniors were partnered with players making their club team debut and despite some horrible weather on both dates, we are delighted that Halesworth were victorious in both fixtures by an incredible 32 points!

Across all sections, Gents, Ladies, Senior and Juniors, over the past 12 months, out of the 10 most improved players 8 are juniors, with Ollie Jones leading the way.

Don't forget to register on OP36 for your child's sessions to get involved on Saturday mornings. Limited Spaces.

Tee slots will be booked for juniors to go out for some social golf after lessons on Saturdays should they wish to.

Although weather can be a hinderance, there will be plenty of social events, fun and competitive golf, to ensure we keep together as a section. In addition to the 6s and 9s, there will be friendlies and there will be teams playing against each other in various formats including the dreaded foursomes and a ladder, watch this space!

If your child has not been involved in any of these before and you are unsure on what it all entails, please get in touch with one of us as we're here to support you and your child.
