"dedicated to promoting golf at all levels, in a fun and safe environment"

At Halesworth Golf we offer a wide range of top class facilities, including an 18-hole championship course and a 9-hole pay-and-play course, a 10 bay floodlit driving range, a practice chipping and putting green and a very well stocked golf shop. Our lounge, bar and restaurant provides a wonderful relaxing space to enjoy food and drink with unrivalled views over the course and adjoining countryside.

There are a range of junior competitions to enter for all abilities which are run throughout the year, these can all be found on the IG app.

We hope that you enjoy your time at Halesworth Golf

Competitions

Junior competitions are open to all boys and girls who are members of Halesworth Golf and have a handicap.

Throughout the main golfing season from April to November, there will be various monthly competitions on both the 9 and 18-hole courses which contribute to an annual order of merit. There will also be standalone trophy competitions such as the Junior Club Championship, mixed-section events and seasonal junior fun days too.

In addition to internal club competitions, we also participate in Golf Sixes League – an inter-club league aimed at grassroots level for younger players with handicaps of 37+ or those who have yet to obtain their first handicap.

We are also involved with the piloting of a new Golf Nines series aimed at providing the next development step for players who have benefitted from participating in Golf Sixes and whose handicaps are too low to meet the eligibility criteria.

Handicaps

HOW TO OBTAIN A HANDICAP

Scorecards from rounds played on either the 9 or 18 hole course, totalling a combination of 54 holes are required, signed by a member to obtain a handicap.

Once completed, please hand these into the pro shop so that they can be uploaded to the WHS platform, and an official handicap can be obtained.

Please ask the shop staff or Handicap Secretary for more information (Rob Sherington or Colin Hillier)

Individual Lessons

One-to-one tuition focusing on various aspects including long game, short game and putting. Take advantage of our state-of-the-art Trackman 4 launch monitor and excellent practice facilities.

We recognise that every golfer has different capabilities, needs, and aims. Every individual has varying lengths of time to practice so we take this into account.

Junior Coaching

Group coaching sessions take place on Saturday mornings (45 mins) and Wednesday evenings (1 hour). These are free for junior members between April and September.

Playing Lessons

Very effective for those who want to save shots from their game, but do not want too much technical input. Time is spent on routine, club selection, sloping lies, and course strategy.
