Similarly VL to ask Ellie if in future HGC could invoice other clubs if requested.

## 14. Competition Secretary Items

SH proposed that the Ladies section should take over the engraving organisation for our own trophies. After discussion, it was agreed that committee individuals should contact engravers to understand the potential costs. It was also pointed out that we would need to understand any insurance implications when transporting the trophies.

SH also proposed that the trophies should be individually photographed and kept on a USB stick so that all captains could be sure which they have for the AGM.

#### Lady Captains Report 08/02/2024

I can't believe where already into February, and the weather has been mild but windy for this time of the year, let's hope it continues as spring approaches.

We have had plenty of fun comps throughout January, and it has been great to see with quite a few ladies entering and giving them the opportunity to play with other ladies they may have not played with to date, always good fun, and normally a good turnout. We have had one Stapleford qualifier on the 18<sup>th Jan</sup>, which I cowardly pulled out of with a few others after seeing the weather report for the day, feeling like -9, was not my idea of fun. For those iron Ladies that braved the weather well done and take my hat off to you. It certainly didn't affect Jean Berry who came in with a tremendous score of 40 points. So well done Jean.

My thanks goes to Sara for continuing to do the competitions, she does a fantastic job in tweaking the Diary to make sure it works for all Parties involved, and keeping us all involved with updates, even more so when the comps have to be played and then unfortunately someone pulls out, and panic arises of getting another player to step up, or even have to redo the team sheet, and I appreciate this can be very stressful at times. Thank You Sara

The home and away friendlies are very well supported again this year, my thanks go to Karen Forster my lovely vice-captain, and who is also our Ladies club secretary, Karen has taken her role on like the swans have at Halesworth to water, Karen is doing a fantastic job, organising the ladies and mixed friendlies, well in advance. She is also encouraging our newer ladies to take part and has already shown she that she will be an excellent Captain in 2025. Thank you to Ellie for supporting Karen and giving her the food options going forward, which I believe have always been a good choice and great value for money.

As you know I'm supporting the Bobby Moore fund this year, and the money has already started to come in, and you will undoubtedly hear me mentioning this charity many times throughout the year, so I will be highly grateful for all your support. Viv our treasurer is dealing with the funds, so thank you to Viv, I'm yet to phone the charity to get their bank details to bacs the funds to them hopefully monthly, I will update you all when I have more information. While we are still on the topic of the charity, My appreciation and gratitude go to Rita Fossey, and Viv Leech for joining me to do a 666 challenge as we have called it, we are going to do 6 courses in 6 days for the Number 6 Bobby Moore, we are hoping to raise as much money as possible through sponsorship, and will be putting a sponsorship form up on the ladies and gents notice board. I have been in touch with the following clubs, Bungay, Diss, Gorleston, Rookery, and Southwold, the response I have had in them supporting us has been greatly appreciated, and overwhelming and they are very happy to accommodate us, I have also asked the Ladies captains at their clubs if they would like to join us on the day, I have had a very good response to this and some have agreed so far, I'm just waiting from others to reply, our challenge Starts on Monday 27th May and finishing at Halesworth on Saturday 1st June, it would be lovely to see so many friendly faces as we come in and get over the finishing line. My appreciation and gratitude also go to Sara who is also raising money for the charity by doing 55 holes for big 55<sup>th</sup> birthday, Sara is doing her challenge with Ali Wallace from Rookery so looking to get as much sponsorship as we can for Sara too. Thank You Ladies so much for all your support.

Its great to see our ladies section continuing to grow. This will give greater choice for our county captains, which can only be a positive going forward for HGCL, who all have the ability of moving Halesworth forward.

Just a note as well about our Captain vs Vice Captain competition on April 18<sup>th</sup> which will be on the theme of Alice in Wonderland. I thought I'd let you know early so you could get thinking about costumes.

#### **Ladies Section**

And finally, thanks to the Ladies committee who are all doing a fantastic Job, and are all working extremely well together. They all keep us well informed of any updates and changes that arise, your contributions and input are valuable and much appreciated, keep up the good work Ladies, and well done.

Cathy

# Competition Secretary Report for February 2024 - Sara Higgins

January was comparable to the song, name that tune, but instead it was name that storm! We endured temperatures of 'feels like' -7.5 degrees – so far we have encountered Henk, Isha and Jocelyn battering Britain and by all accounts we are not over the worst of it and look forward to meeting Kathleen next.

Being competition secretary really has its demands when trying to foresee British weather and keep a tee sheet together! But we managed to have a couple of fun competitions in the mix namely throw, kick mulligan – well done to Sally Baxter, Sue Millard and Maggie Bennett. And results for the Reverse Waltz were winning team again Sue Millard, Sally Baxter and Karol Perley – I will make sure I put myself down in your team next time.

January stableford only had 11 ladies sign up, it was a very cold day and the hot chocolate in the club house seemed a better idea than a cold wind outside in your face. Well done to the following:-

**<u>Dv1</u>** Sally Baxter 33 (OCB), Barbara Dennis 33 and Judith Bedwell 31

<u>Dv2</u> Jean Berry 40, Susanne Wilson 38, Mary Pickering 37

February is set to be busy with ladies signing up already for qualifiers and fun competitions.

It was decided at committee level to increase the competition payments which has been welcomed across the board. I know Viv, our treasurer will be documenting this in her report so I don't wish to double up on that.

As we know, the new rules in WHS start 1<sup>st</sup> April regarding handicapping and course ratings will change. I'm getting my head around this together with Lesley our handicap secretary so we are all ready for the change well in advance. To document this the main areas are as follows:-

- \*Inclusion of Shorter-Length Golf Courses Within the Course Rating<sup>TM</sup> System
- \*Use of an Expected Score for a Hole Not Played
- \*Playing Conditions Calculation Adjustments Made More Frequent
- \*Enhanced Guidance on Conducting a Handicap Review
- \*The Inclusion of Four Ball Better Ball Scores within GB&I
- \*Course Handicap<sup>TM</sup> using CR-Par
- \*Rounding

#### **Ladies Section**

I will be detailing as much as I can to our section to make the change seamless; I also have guidance notes from England Golf that I will be posting in our ladies section both electronically and printed. If any lady wishes to discuss this on a one to one please feel free to contact me. I am always available for a chat!

We look forward to hearing from Daily Mail regarding the start of the new 2024 competition, I expect to be advised after 4<sup>th</sup> February to where Rita and Lesley will be playing and who their opponents will be – best of luck ladies in your rounds.

I have entered Georgianna Coby to represent the ladies and Jack Rawlinson to represent the men at the Race to Woodhall Spa at our local regional event June 16th at Stowmarket GC. They are both eager to play and its lovely to have one of juniors represent Halesworth for I think the first time.

As always wishing everyone a great golfing season in 2024.

Sara Higgins

### **Halesworth Golf Ladies Handicap Secretary report**

4th February 2024

All very quiet on the handicap front still. A few eclectic cards being submitted on Sundays and Thursdays.

We have 2 new ladies as of the 1st Feb

Ava Barber Not yet awarded CDH or handicap 01/02/2024

Angela Morris Not yet awarded CDH or handicap 01/02/2024

In the last month these ladies improved their handicap, albeit very slightly. The most improved was Alison Dudeney 1.1 followed by Carol Perley 0.7. Then Clare Woods, Sally Baxter and Jane Linford by 0.2, 0.1 and 0.1 respectively.

Well done to these ladies in this cold weather.

Top 3 in the eclectic as of today,

1st Lesley King 61

2<sup>nd</sup> Susanne Wilson 62.1

3<sup>rd</sup> Clare Woods 62.9.

2 months to go!

I am looking forward to handicaps moving more dramatically as the year progresses.

## TREASURERS REPORT- JANUARY 2024

The majority of funds received this month are for the upcoming Winter League Gala Day which we are hosting on 11th March and organized by Barbara Dennis. 76 ladies have paid a total of f 1900 making our balance look very healthy.

However, after receipt of £56.50 from the January competitions due this week, we will only have £215.55 in the main account and £510.90 in the savings account. The remaining £290 in the savings account are from sale of tags for the Lady Captains Charity.

We have 5 competitions in February which should bring in more funds and hopefully with the increase in the cost of playing in the competitions & more ladies playing as the weather hopefully improves, we should increase the amounts seen month on month.

We are using the prize fund calculations kindly proposed and sorted by Karen and I think the ladies seem happy with how this now works.

Karen, Sara and myself have been working on putting in place the Financial Procedures discussed in our last committee meeting including having another member of the committee authorizing any payments leaving the bank account, protecting both the Treasurer and funds held by the Ladies Section. I think this document will be a great asset.
